ACCESSIBILITY TO THE RIDES

For safety reasons, access to the rides is subject to restrictions mostly related to physical parameters and health conditions. These include age, height, heart and spine problems, physical-sensory and cognitive limitations.

Below you find the list of all the accessible rides according to your disability (pictograms and their respective description can be found in the last section next to this one). We remind you that, in order to access the rides, you must be accompanied by an adult devoid of any disability.

When you arrive at the entrance of the ride and of the q-line, let our Staff recognise you: they will be happy to welcome you as soon as possible!
